

# INSPIRATION 11m CATAMARAN

## DECK EQUIPMENT

The vessel 'Smile Too' is fitted with the best equipment for safe and reliable cruising. The pulpits and pushpit are made from 1 1/4" 316 high polish stainless steel tube and are more than 75 cm high with two centre rails and white PVC coated s.s wires. The pulpits are fitted with GRP seats.

### ANCHOR WINCH

A 12V DC Muir Cougar horizontal anchor winch is fitted with a 60lb CQR anchor and 60 metres of 10mm gal chain.

A spare 40 lb Danforth anchor is located in the starboard anchor locker with 55 metres of rope and 6 metres of 10mm gal chain. The anchor winch has it's own battery ( deep cycle 100 AH)positioned closely in the forward starboard locker to alleviate power loss from long cable runs.

### HATCHES

Deck hatches are either molded GRP or Moonlight hatches.

### CABIN WINDOWS

All cabin windows are anodized black powder coated aluminum with grey tinted toughened glass. Each cabin has a sliding window for good ventilation.

### SOLAR PANELS

4 x 80 watt solar panels are located on the GRP cabin top extension.

### BBQ

A large 'Cookout' BBQ is fitted to the pushpit. Gas is supplied to the BBQ from the gas locker below.

### DAVITS

GRP molded davits hold the 3.1 metre inflatable boat with 3 hp Yamaha outboard.

The inflatable boat is approved to carry max 5 persons.
